International Dance Shoes

MADE IN ENGLAND

International Dance Shoes are the professional's choice for Ballroom and Latin dance footwear. Our skilled craftsmen have been carefully hand making the world's finest dance footwear from our home in Milton Keynes for over thirty years now, and remain the top choice for many of today's leading amateur and professional dancers!

What makes us different from other dance shoe manufacturers is that we offer footwear that is made exclusively in the UK, which enables us to offer you any style you like in this catalogue, in any material you want, on any heel you want and in any width ranging from extra, extra, extra wide, to extra, extra, extra narrow. This is all part of our commitment to being the providers of your perfect dance shoe.

Our mission is to provide the finest hand-made footwear for both competitive and social dancers of all ages. Our styles can be used widely across all types of dance, from Ballroom and Latin to Salsa and the American Smooth, and also Line Dancing, Ceroc, Jazz, Flamenco, Swing, Jive and the Argentinian Tango. We aim to preserve our reputation as the highest regarded provider in this industry, whose quality is always of the highest standard and with this we are constantly developing new products with new technologies and intricate design innovations to help you maximise your performance, whilst experiencing exceptional comfort, and all in eye catching fashion.

Our passion for the quality of our products is unrivalled, and we're committed to delivering shoes that ensure the perfect freedom of movement, whilst giving you the most comfortable and elegant footwear to connect you with the dance floor. We're dedicated to being loyal to our 'Made in England' status and will continue to manufacture in England, with this not only being a unique service to the customer but this is also regarded as a hallmark of quality for many of today's top dancers.

The quality of our footwear and service has been recognised in many instances, such as our involvement as exclusive suppliers to BBC's popular 'Strictly Come Dancing' series. We provide footwear for all the celebrities and professionals, and have been doing so since day one, not just on the television series but also for their stage show tours. We've also been chosen to supply other BBC, Sky and ITV programmes such as 'Comic Relief', 'Children in Need', 'Britain's Got Talent', 'Got to Dance', 'So You Think You Can Dance' and even stage productions such as 'Legally Blonde'.

We aim to ensure that our shoes are readily available to you no matter where you are in the world. We have distributors throughout the globe, operating in the USA, Canada, Germany, France, Italy, Australia, Japan and in many other countries too, whilst you can also now buy online at www.internationaldanceshoes.com.

You can buy our shoes online at www.internationaldanceshoes.com, whilst you can also place orders by emailing us at sales@ids-danceshoes.co.uk or by phoning us on **+44 (0) 1908 319937**. If you are interested in becoming a re-seller, then please contact us via email or phone and we can discuss how you can become an International Dance Shoes re-seller.

DELIVERY AND RETURNS

Orders typically take between a few days and three weeks as the majority of our shoes are made to order. We also aim to stock particular styles which can reduce the delivery time. We deliver throughout the world, with prices varying accordingly. If you would like further information regarding delivery, please email sales@ids-danceshoes.co.uk or call us on +44 (0)1908 319937. If you would like to return goods, please address them to: International Dance Shoes Returns, Unit 11 Fingle Drive, i.O. Centre, Stonebridge, Milton Keynes, Buckinghamshire, UK, MK13 0AT along with a detailed covering letter specifying your contact information and reasons for return. Terms and conditions apply; please contact us for more information.

PRICING

No matter whether you are a retail customer or a stockist, you can request up to date price lists via email or phone. Please see the shoe fitting chart on the right and note that all fittings other than Regular, Narrow, Wide and Extra Wide will include a surcharge and are also non-returnable, unless there is a manufacturers fault. Furthermore, any colour or fabric not illustrated in this catalogue are also classed as special orders and will also incur a surcharge, which is indicated on our price lists. Please be sure to query the availability of items before placing your orders and check the price lists. See our contact information to see how you can get in touch.

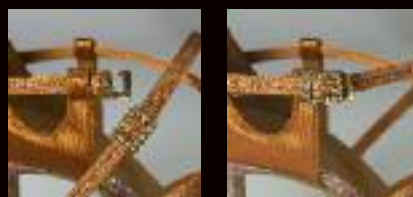

SHOE CARE

International Dance Shoes are committed to developing long lasting shoes which offer you great value for money. You can further enhance the life and preserve the quality of your shoes by taking care of them and following the advice below;

- To protect suede, we recommend that you use a specialised suede brush, such as the one which we offer on our accessories page. Take care in order to avoid damaging the surface or removing colour.
- Patent leather should be treated with a silicon or Vaseline film before and after use in order to prevent sticking and scuffing of the shoes.
- Slimmer heels need to be checked regularly as the heel tips have a small surface area for which weight can be distributed, and can be eroded when subject to excessive wear. We provide replacement heel tips, which are on our accessories page. Heel protectors are also available, and these are a very popular method for preserving the condition of your heel.

BUCKLES

Whilst our standard styles come fitted with regular buckles, we can also fit your shoes with 'Hook' buckles. These are buckles which feature a different secure and release mechanism, one which is easier and requested by many of our social dancing customers. See the illustration right. Please ask for this on your orders.
